Greetings to all in the name of Jesus Christ our Lord and Savior. It is indeed a privilege to be in the Lord's work with so many co-workers. This report will be short and sweet. We will have much to report in the next one after the Samoa trip.

"Which is your right hand?" the question was asked. Several had to think on this... Young & old alike went on a zip line trip in Asheboro for a fellowship outing. They had a ball.

So it isn't just food we get together for!

At the Monday evening Bible Study, we are finishing up our study on angels. We will be taking a break while away in Samoa.

We had visitors David & Ann Bragg (pictured below) from the Northwest congregation in Greensboro, NC. David delivered the morning and evening Sunday sermons.

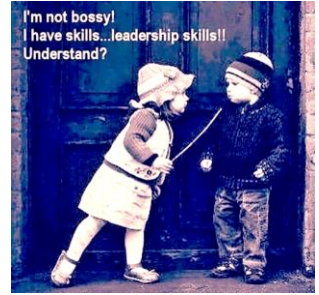

The young men at North Main deliver the 5th Sunday lesson. These guys work hard to present the lessons and they do a very fine job. A special thanks goes to the men that help them prepare.

MENS LEADERSHIP CLASS

In April we started the Men's Leadership classes on the 16th of April. This was the third Thursday of the month at the Abilene Church building in Statesville, NC. It has been decided to meet on the second Thursday, which this month will be July 9, at 6:30 in the fellowship building. This class is open to all to attend.

SAMOA MISSION TRIP

On June 19, we will be landing on this airstrip in Samoa, ready to teach at the Pacific Island Bible College. We surely appreciate our coworker in Christ, Robert Martin. I personally don't think this strip is big enough but...

A BIG thank you also goes to many ... all those who helped us financially, many ladies at North Main, especially Jenny Davenport and Cindy Brown.

We do count it a privilege to do the Lord's work whether it is on an Island the South Pacific, at home here in the US, or on own own front porch. It is all done with the help of wonderful co-workers like you.
