Greetings to all in the name of Jesus Christ our Lord and Savior. It is indeed a privilege to be in the Lord's work with so many co-workers.

LEADERSHIP CLASS AT ABILENE

We continue our leadership class at the Abilene church of Christ in Statesville, NC. It is going well. We are on lesson 9 of a 14 lesson study by Fenter Northern and Gerald Stockstill called "A Leadership Work Program for New Testament congregations." Each lesson is beneficial to the potential and existing leaders of a congregation. The class is on the second Thursday of each month. I am continuing to preach one Sunday each month at the Abilene congregation in Statesville, NC.

MONDAY NIGHT CLASS

October included four weeks covering tools we can use in personal evangelism including the Carl Sims "Sowing the Seed" bible study and discussions about how to use this tool.

Class is open to all. Please come join us!

MISSION HOUSE

We continue to make renovations to the mission office. Thanks to those who have been a part of this.

MORE on SAMOA

We will be traveling soon to our supporting congregations to report on the trip to Samoa. We will try to give you a feel of our experience while we were there.

When the visitor disembarks the plane in Samoa it is like stepping back in time. A very relaxing and appealing feeling, or maybe it was the jet lag.

Deborah not only taught class and songs but she learned some new ones also. Her favorite is *Who's the King of the Jungle*.

Fellowship meals are a vital part of Christianity even in the South Pacific. Although at the congregation at Aleisa, it happens every Sunday.

The big night and everybody is nervous about the test, it is given in English and Samoan.

This young man brings his family to services at Aleisa which is about one hour away from the building. He runs a store to help pay the bills.

WORKING with the LORDS CHURCH in STEWART VA

It is a pleasure to be working with the family of Christ that meets at the Concord Road Church of Christ in Stewart VA. We have just started working with the congregation in Stewart. If you visit there you will find a very loving and kind group of people that have a love for the Lord.

Working together with me is my friend and fellow worker for the Lord Tim Horton. We will each be preaching and teaching at least one Sunday each month. Tim is also a graduate of the Tri-City School of Preaching. You see the congrega-

tion is small in number but large in enthusiasm and in truth with a desire to grow in spirit and in numbers. First on the agenda is to start a local radio program. The men are working on this now. If any one is in the area feel free to come and worship with the saints in Stewart.

Robert Martin, a missionary to the Pacific Islands, will be at North Main Street church of Christ in Mocksville on Wednesday, November 4 reporting on his work.

Deborah and I will be in Hinton West Virginia on November 8 reporting on our work and our working together with Brother Martin in Samoa.

I want to again thank all the people and congregations that help in our support. And we also covet your prayers for our work for the Lord. I want to also thank the elders at North Main in their efforts in the oversight of this work.
