Re: Mission Nov.--Dec 2015 . Update

Greetings to all in the name of Jesus Christ our Lord and savior. It is indeed a privilege to be in the Lords work with so many co workers. We hope this letter finds all well My how this year has past by so fast.

A Look Back And a Peek Ahead.....

We are going to Fiji again...Suva, Fiji in June! Suva has the largest Population in Fiji with 3 congregations of the Lords Church

Fiji here we come , yes you read right we will be joining Robert Martin in June in Suva To teach again in the Pacific Island Bible Collage

Deborah will again be teaching a bible school for the young ones . Also will conduct a ladies day in Suva.

Preaching and teaching in Samoa is different Than that of Fiji with the use of translators . both cultures although are South Pacific are very steeped in tribal tradition, but have been Influenced by different western civilizations The Fiji's were influenced by the English and Indian culture and Samoa's by German Culture.

There is one thing that is not different ,that is the children Children are the same everywhere, full of energy, Inquisitive and wanting attention. And always ready To sing a song or play a game And ready to learn about the Lord

Reporting and we are getting around to everyone slowly

We were in Hinton West Virginia In November . There were many questions about our work and Much enthusiasm My good friend And former classmate Walter Dekal Is the minister there and he is a wonderful student of the Bible. The congregation there has been Supporting me for the last two years When we go to teach in the PIBC

We reported in Statesville NC at the Highland Acres Congregation It is always a pleasure to be with the Brothers and sisters there . I spoke on Gods final exam what would your answer be. And reported that night on our work here and in Samoa this year I thank God continuously for this congregation and Their support, they are true coworkers for the Lord

A report on Abilene Church of Christ

We finished our leadership class at the Abilene church of Christ In Statesville NC .It went well and much was gained.

I will no longer be preaching one Sunday a month at the Abilene Congregation in Statesville N.C. Bro. Dave Olson will be taking on the work full time and I know he will do a wonderful job, and I look forward to working with him and the congregation in the Future.

Get up and get going is our new motto. We ended the year with a ladies day in November that was attended by 13 different congregations. The plan for 2016 is a ladies functions of Muffin and a mug every other month... starting Jan. 30. Deborah will be the speaker. Also they have plans for a "Mommy & Me" gathering at the mission house. Not only for our mothers but as an out-reach in the community
