Taking the gospel to the local community and abroad. Mark 16:15

TEACHING AND BAPTISING - HUGH THURLOW

Wonderful souls the Johnson family at the North Main St COC took in Hugh to live with them... Hugh came to services with them and after some conversation we had a bible study.

I like to use the Back to the Bible series by Bobby Bates it's so easy and it leads your study partner to the right conclusion in 3 easy lessons. Before starting the study they will fill out a sheet of questions concerning how they were saved... You save this sheet, it might come in handy at the end of the lesson. Anyone need a copy let me know.

A great program put on by Nic Nuc consignment they load up their vehicles once every other month with items from the store and take to our local nursing home. The residents love to shop, especially those that can't get out.

Estelle Kluttz a member from N Main

Everywhere we go people want to know, So we tell them, about **POLISHING THE PULPIT**

On our side of the Mountains not everyone has heard of PTP. This is the BEST thing we do for ourselves all year, we feel Renewed, Refreshed and Reenergized there. This year there were 5027 in attendance. To say the least the singing was Awesome!!! My sister and her husband went this year ,they had to leave early so they attended the early worship Terri said she was sure singing with thousands of Christians would make her cry. It does us!!! To make the most of this experience we rent a cabin and stay with friends, family, elders, and this year we were even able to give a room to someone we really did not know. The last several years Deborah was able to connect with old high school friends.

Tim Brown school friend from Christian Home and Bible School then Terri Brown Harris and her granddaughter, along with Jewel Attebury Jordan all School Friends. Its not just for us old folks either. Friday night our grandson Logan got to spend the evening there on his stop over to FHU. Our room mates included Julia 2years old, Gabby 12 years old ,their 2 young mothers Jessica & Candy, 2 elders, & there wives, Eddie & Belinda Nuckols, Matt & Terri Maurer. The fellowship with close friends just makes you closer. Dinner cooked by our elder , Classes for the youngest...Julia and precious time spent with them and family time. Even the little black eye will be a memory long shared.

Carolina Bible Camp....what a GREAT place to make friends

I know I mention this place often, but I worked 2 weeks and did manage to be out there at least once every week. I saw kids making friends for life. From the Stuart VA church that we work with we were able to get one of our young folks to attend Shyann Kerce (the one with the long red hair and she says she is coming back again next year.

PTP-Spark is in Salem, VA this November check it out. Small but Packed with good stuff.

Freed Hardeman University and Logan Davis

Logan says that Freed is like Carolina Bible Camp on steroids.

Heads up if you or someone you know is at FHU they have a new program that enables a students local congregation to help with tuition. If the church sends funds to the school for a certain student the school will match the funds up to 2500.00. So any one wanting to help Logan get through school you can send money to the North Main COC.

A quick note about the mission trips abroad...Nevis & St. Kitts trip is scheduled for Jan. 11-29 and Cuba is for April we don't have the dates set yet but its for 3 weeks, 2019 is going to be busy! We will keep you posted ...please keep us in your prayers.
